RICHMOND, C.A., (Oct. 29, 2022) - Liane Ingham, Founder of The Artisan (Kitchen and) Cafe, announces the opening of private dinner parties for families and corporations for the season of fall and winter 2022. The Artisan Cafe is invested in giving families and businesses the opportunity to celebrate special moments in an intimate space with fine cuisine and wine.

Ingham has devoted time and effort to creating a warm atmosphere for dinners with succulent gardens, patio heaters, and elegant plating. “I was thrilled to be able to have a relaxed dinner with a glass of wine right in my own neighborhood. I had the most delicious salmon, mashed potatoes, and baby cauliflower in their sweet little succulent garden,” said Irene Young on Yelp reviews. Guests can also devour gourmet New York-style cheesecakes and seasonal cobblers.

Hosts of private dinner parties can select attire, meals, and wine pairings. The Artisan Cafe will take up to 15 people in the main dining area or rent out the entire restaurant for larger parties. Go to www.artisankitchenandcafe.com to book private dinner parties now.
